

Class Descriptions, Staff and Contact Information

Intro. to Video Editing -- Mr. Jordon *Phone ext. 5037*

Email: scott.jordon@sduhsd.net

Students will spend computer time learning modeling, programming, and editing using Adobe Premier software.

Intro. to Video Production – Mr. Keilor *Phone ext. 5155*

Email: rod.keillor@sduhsd.net

Students will create storyboards, write scripts, film, and edit video projects. This will build upon the Video editing class that Mr. Jordon will be teaching.

Photo Arts -- Ms. Olden *Phone ext. 5111*

Email: laura.olden@sduhsd.net

Students will use composition techniques, creative shooting assignments, & fun camera controls to produce photographic images through digital technologies with an awareness of photo ethics.

Intro. to Computer Science– Mr. Trahan *Phone ext. 1182*

Email: keith.trahan@sduhsd.net

Students will get an "under the hood" view of computing, including computer components, scripting, and a project-based, closer look at web pages (html) and coding.

Intro. to Architecture -- Mr. Chaker *Phone ext. 5029*

Email: martin.chaker@sduhsd.net

ACTION: Lorem ipsum dolor sit amet

Intro. to Auto Tech -- Mr. Ratner *Phone ext. 5113*

Email: daniel.ratner@sduhsd.net

Students will learn some basic mechanical functions, parts of a car engine, and how to identify correct tools in order to properly maintain a car.

(Note: At start of 1st Rotation, contact Mr. C. Fletes carlos.fletes@sduhsd.net)
